

Dedicated independent contractors from around the country attend MSPA America's ShopperFest. And we're headed back to Las Vegas for another great weekend of industry collaboration at ShopperFest 2026!

ShopperFest is the only MSPA Americas conference for independent contractors to attend educational sessions, gain certifications and network with CX (MSP) and merchandising service organization (MSO) companies all at the same time. What is unique about ShopperFest is that it is a conference put on by the MSPA Americas Board of Directors and programmed with company owners and executives as speakers. Attendees are getting first-hand, credible information from the leaders of the industry itself, and not some outside third party.

This three-day conference features networking opportunities during the opening reception, meals and a full slate of MSPA Americas educational courses to earn specific industry certifications. A brief rundown of the weekend includes:

FRIDAY

- A selection of MSPA Americas educational courses which can lead to onsite certification.
- Opening Reception with sponsors, providers and all ShopperFest attendees.
- MSPA Americas Game Night.

SATURDAY

- A full day of informative sessions led by provider owners and executives.
- Optional evening event.

SUNDAY

- A morning of MSPA Certification: A selection of MSPA Americas educational courses which can lead to onsite certification.
- ShopperFest Awards Closing Luncheon.

NETWORK WITH KEY EVALUATORS, AND MYSTERY SHOPPING AND RETAIL SERVICE PROVIDERS

By sponsoring ShopperFest, you will have the opportunity to network with some of the industry's best independent contractors and (and now W-2 options) one-on-one as well as gain recognition for your company while supporting the overall efforts of MSPA Americas to provide better educated and committed MSP evaluators and MSO workers. This pool of talent has many companies to choose from when searching for opportunities across the Americas – be their first choice by sponsoring ShopperFest!
